

Growth Activator™ Pro PLUS

Organic Soil Inoculant

Growth Activator™ Pro Plus drastically improves fertilizer efficiencies, both synthetic and organic. This highly concentrated, broad spectrum microbial inoculant enhances biological activity.

- Beneficial organisms colonize rhizosphere and promote plant establishment
- Stimulates induces systemic resistance and provides increased resistance to stress such as heat, drought and foot traffic
- Improves nutrient availability and enhances nutrient uptake
- Solubilizes and mineralizes insoluble phosphates in soil profile into plant available forms of phosphorous
- Enhances photosynthetic capacity of plants
- Contains plant growth promoting bacteria, stimulate root - shoot growth and formation
- Contains synergists to support microbial growth and proliferation
- Contains sulfur to enhance nitrogen efficiencies and facilitate protein synthesis
- Contains iron to enhance coloration and promote microbial cellular energy
- Contains potassium to further enhance stress reduction

STORAGE & HANDLING:

Product should be stored in a cool area out of direct sunlight/UV light. Do not store product above 110°F, protect from freezing. Keep container tightly closed. When stored properly product has a 2 year shelf life.

Available In:

- 275 gallon tote
- 55 gallon drum
- 30 gallon drum
- 5 gallon pail

Application Rates

	QUANTITY	COVERAGE	FREQUENCY
Turf	6 oz	1000 sq ft	Apply 3 times per grown season

Nutrients derived from sulfate of potash, ferrous ammonium citrate.
