

Bio-Blast™ 15-0-15

Organic Based Natural Turf Fertilizer

Bio-Blast™ 15-0-15 is a water soluble, bio-stimulated, liquid fertilizer formulation designed for transitional situations. It contains compliments of Fish, Seaweed, Humic Acids.

Bio-Blast™ 15-0-15 is best used on cool season turf grasses in spring and/or fall and on warm season turf grasses in summer. Using urea as source of Nitrogen allows for quick green-up while organic elements feed more steadily. Higher level of K allows for spring disease resistance and turf blade strength.

- Biologically Enhanced Specialty Fertilizer
 - Phosphorus Free
- Simultaneously Feeds Turf & Enhances Soil Biology
- Enhances Color, Quality & Vigor of Turf Grass
- Enhances Nutrient Uptake & Facilitates Nutrient Absorption
- Promotes Nutrient Solubilization & Mineralization
- Provides Increased Resistance To Abiotic Stress
(Heat, Drought, Foot Traffic)
